presents

## "Message in the Waves"

Nature documentary featuring the wildlife of Hawaii's famous surf zone and the surfers and scientists who are fighting to protect it. Turtles, dolphins, monk seals and albatrosses all have to cope with a new threat from washed-up plastic.

Followed by discussion.

**Wednesday 11<sup>th</sup> June**

**7.00pm film starts**

**Uphill Community Primary School**

In association with the E-Team  
(Uphill Village Society) and the  
Environment Club (Uphill  
Community Primary School)
