The Environmental Network of North Somerset (TENONS)

presents

"Message in the Waves"

Nature documentary featuring the wildlife of Hawaii's famous surf zone and the surfers and scientists who are fighting to protect it. Turtles, dolphins, monk seals and albatrosses all have to cope with a new threat from washed-up plastic.

Followed by discussion.

Wednesday 11th June

7.00pm film starts

Uphill Community Primary School

In association with the E-Team
(Uphill Village Society) and the
Environment Club (Uphill
Community Primary School)

Enquiries: Helen Burge
01934 645343
